*Help MTRP make  
more kids future clean  
water advocates!*

**VOTE DAILY**

**Sept. 1<sup>st</sup> thru 19<sup>th</sup> for**

**Mission Trails Regional Park Foundation**

**at [kfmb.com/ecoambassadors](http://kfmb.com/ecoambassadors)**

**to win an**

**environmental education grant contest**

**sponsored by**

**ecoambassadors**

From Friday, Sept. 1 at 9AM, to Tuesday, Sept. 19 at noon, you can help Mission Trails Regional Park Foundation fund the K-6 grade natural science education programs by voting on all of your devices!

**How to Vote:**

Please **VOTE ONLY ONCE PER DAY** on all your devices (cellphone, computer, tablet) at [kfmb.com/ecoambassadors](http://kfmb.com/ecoambassadors) and [facebook.com/Earth8SanDiego](https://www.facebook.com/Earth8SanDiego), or scan the QRCode.

Supporters can vote once per day, per device. If they use a computer (not a mobile device) to vote from the Earth 8 Facebook page, this counts as a separate device. Supporters can vote once every 24 hours. The voting is reset every night at midnight.

Votes are tracked via IP address. This means that two separate users cannot use the same device to vote.

There will be monitoring to find attempts to circumvent the IP tracking system.

Visit [mtrp.org](http://mtrp.org) for information on our education programs.

Like us on facebook at Mission Trails Regional Park, follow us on twitter and instagram @missiontralsprk, #ecoAmbassadors, to spread the message. Thank you!!
