Meet at the East Fortuna Staging Area

Help make a lasting impact on the environment and beautify the park!

- Mission Trails Regional Park's tradition is to observe Arbor Day in December, when our Southern California winter season provides the ideal planting conditions for young trees.
- The public is invited to meet at the East Fortuna Staging Area to take part in planting ten Coast Live Oak trees - gloves and comfortable shoes are recommended.
- Consider making a donation to help fund the trees. If you are interested in volunteering or donating, please mail form below and email lperkins@mtrp.org or call 619-668-3280.
